Friday - 20 May 1949

1. Spoke with Mr. Ward, Bureau of the Budget, Office of Legislative Reference, in connection with the exemptions for CIA from the provisions of S. 1809 and H.R. 4754, regarding revisions of the Government procurement system. Obtained Bureau clearance for requesting CIA exemptions on somewhat the same grounds as the TVA, which would allow us to follow the provisions of the law wherever possible at our option.
